PAS + PPS

Choose your angle with Stormtech.

Introducing two elegant linear grate designs for the perfect finish.

Adding to Stormtech's extensive range of designer architectural drainage, the PAS and PPS designs offer striking angles and refined symmetry.

Manufactured in Australia from marine grade stainless steel, the PAS and PPS linear grate designs are available in all Stormtech metallic finishes and powdercoat colours.

Available as Made-to-Length units in 65mm and 100mm width grates with custom outlet size and position.

Compliment tile and decor designs with the best linear grates from the people who invented them.
